Sometimes being of another opinion and away from the knowledge inherent in myself and yet always in sum identical, our good brother, who is known to us as thinking man. Please listen carefully to what :dirk reveals to us here!

<https://www.youtube.com/watch?v=JYSXAVMVjf0&pbjreload=101>

Why is he away from my opinion and also my knowledge? For example, the feline species do not come from temples, since cats are not connected to the dark power - the opposite is absolutely the case! They - the cats - were adopted by the late pharaohs only for their experimental purposes - just as Hitler only adopted, not invented, our oldest symbol of salvation - were bred in certain lines to abuse the deity of the Isais/Ishtar/Frya for their experiments. But no matter what the confused tried in their cruelty, the catkind always remained true to itself and pure! Since the beginning cats were considered allies within the Nordic people, they are the purest connection to our great mother FRYA and also metaphysically looking behind the scenes, they know about and warn against the all evil of dark machinations.

At first, the white pharaohs were high intellectuals, who fled from the Northland from the alleged comet impact (Eider Bay near Helgoland = ATLANTIS), which was basically a deliberate GIGA blasting of the entire Northland, in order to destroy the holy people of the Nordic in their entirety and to have the Heimath flooded. Only after this, the numerous migrations of the tribes took place: IndusGermanic, Babylonian, various Persian and also Japanese tribes (!), island folks in the Pacific, Greeks and Latin American advanced civilizations were formed, which have always had precise technology and weapons to their disposal, that we do not dare to dream of today.

Thousands of years ago, North Africa belonged to the Northern Kingdom, exclusively white people settled there! The Nordics of Atlantis built the huge energy generators known to us, called pyramids. Only after thousands of years of mixing the pure with other races and partly also with animals (the "Gods" came down - from that northern kingdom - and took human women), the once invincible ALL-power of these nordic people disappeared due to the incomprehensible violation of the RITA law.

Second topic, the so-called reunification:

First, the land of the middle empire, and here only the GDR is reffered to, was surrounded by a so-called "*Antifascist protective wall*", to protect the rest of the world from the **purest primitive people of Irtha**, or rather to contain the high spirit of this folk. Predominantly referring to the people of (P)RUSSIA. This folk, the Russian-Prussian, is the spiritual sanctuary of the heartland. No other folk has such energetic potential and that connection corresponds to the highest danger for Zion-Juda.

Since 1906 Zion-Juda planned to subtract the people of the Middle Kingdom, the few of this one folk and also Saxony, meaning: to encircle the heartland, to reprogram the people living in the "ZONE" within a period of 30 years. On August 13, 1961, it was already laid out, that the experiment of reprogramming would be finished in 1991 at the latest, it was thought. After that, the GDR high intellectuals were to be released into the world of the already reprogrammed sub-humans, which was about to go terribly wrong.

The ALL-Spirit, degraded as "ZONI" or "OSSI", the highest potential of humanity, can not be contained by Zionist communism or even today's socialism. Pitifully the experiment of the extinction of the high mind failed with its demolition in 1987. The puppets controlling in the GDR announced to the leadership in JAHUsalem, that the StaSi already determined in multiple evaluations, *that a reprogramming of the GDR people would only lead to an unwanted MUTATION, namely: "To much red light results in brown."* With all kinds of things, it was tried to intervene to calm the folk, like the import of VW Golf and Volvos, but the heartland folk had meanwhile "tasted

blood", recognized its power and immediately used it blindly running towards false freedom. Thus the deception of pretending a life-long membership to the "ZONIS" was made, to buy their lives with 100 DM bait money, and thus to lead them into the (again Zionist) UNITED ECONOMIC ZONE.

We do not have to talk about the NATIONAL SOCIALISM of Ingo discussed in the video again. Socialism remains left-wing socialism and thus the creation of ZIONS, just as Hitler's originated from the same Zion gang. Hitler and SOCIALISM fanatics remain poor, deceived souls for me.

I am and remain MY-SELF and thus in form and essence only godly creation in my life - guardian and creator of my life, without exception! All the things shown on the outside are only of amusing relevance to me.

Back to the topic: It is relatively easy to understand, why the holy Northern Kingdom and the Island ATLANTIS, was invincible for thousands of years as the center of Europe and why the people of the present epoch fall into every trap of YAHU/Jahweh:

As the basis of the highly spiritual life, TRINITY within this world was both protection and defense against all evil: MIND+SOUL+BODY. The addiction of the body and the resulting influence on MIND and SOUL, the dark Ones took advantage of, by first crossing the pure races of former epochs and by means of the violation of the law of RITA/TELEGONY producing impurities, which normally - in the case of only one single violation - may still be curable, but the mass law disloyalty carried out today can never result in good, unless by purification of the body by death. What am I writing about here?

For example, a pure woman takes in the semen of a pure man of the same people - a man of Prussia mating with a light-colored Russian woman, there is no impurity within this union, even if the language may separate the two. Both peoples are absolutely genetically identical and in purity, **if they live pure and nourish themselves according to the bio-logical perfection**. We will explain this essential aspect of the highest explosiveness in full later.

However, if the woman from Russia takes in the semen of an Asian, a Negrid, an Indian or the many mulatto lines, which were created in the meantime by false breeding (Arabians are not a pure breeding line!), the female is blighted after a single admission of the spark of the man from different origin for altogether 7 years! If the foolish woman takes her insanity to the extreme, lets herself be inseminated many times by the foreigner, she is spoiled for decades, in serious cases even for life.

The foreigner thwarted her purity. Never will the woman be able to produce offspring, that could be equated to the same quality and goodness, as the high spirits of the Atlanteans. Weak, addiction-driven good-for-nothings would be the defective result, those PERSON MOTHs, millions of which now throw themselves at the necks of the "Solomons" and "Samuels", to celebrate certain "KENNEDY's", who certainly want only the best for the pure people. Sure, this is what the Negro Obumba also wanted and of course also MERKILL and all the other Zionists of Satan.

The mixing of different races - we saw it with the wolf, from which sick and completely useless races were created for our control, consuming our time and with their fast aging also influence our psyche - is contrary to pure nature, otherwise monkeys of all sorts living in the wild would all automatically cross and also our powerful eagle would look for something beautifully narrow and immediately pull a sparrow on his lance. ALL THIS DOES NOT HAPPEN IN HEALTHY NATURE!

Animal people with giant lances are made for animal people with a corresponding counterpart, just

like species with small organs fit to their kind, also and especially genetically! A human, who does not match another individual in his avatar formation, must not add "his mustard" to the porridge, because he disfigures the precept of purity of the race. WIKILIEDIA believes, that this teaching would be rejected today, which may well be true, rejected by those ZION powers, to create the same sub-human race: [https://de.wikipedia.org/wiki/Telegonie_\(genetics\)](https://de.wikipedia.org/wiki/Telegonie_(genetics))

Back to the pure nourishment of the body, away from all addictive substances:

Cooking food is one of these addictive substances! You can heat up your vegetables no matter how little, no matter how gently possible, and just so all the ... it is and remains on the one hand CULTURED VEGETABLES, i.e. harmful for you and your organism, and secondly, the vegetable in its 'naturally grown' structure is changed by external influences, like heating, and before that often times frosting. Here we find the difference between victorious GERMANIC and today's wimps at the column of victory in Berlin:

To live in the forest, in the *toroidal structures*, that the trees create for us - the roots form a vibrating network, but also on the other hand the interwoven treetops. In between this energetic compound the Germanic people lived, before that the Atlantean, before that the Vedrussians from Hyperborea (these is always written with a "V", because the "V" corresponds to the rune "UR" in the nordic rune futhork. A "W" did not exist at all. Vedrussians are UR-Russians, the UR folk corresponding to us).

Not only the energetic vibrating body created everlasting HEALTH through giant trees for our ancestors (what 5G and WLAN prevent today!), but also the different cell structures of the people of that time, compared to the whites of our folk living today. Precisely because:

Nutrition from acorns, nuts, leaf-green, wild herbs, this in connection with purest water, produces within the human organism with the years (7) high-quality and life-affirming silicon structures, as we have already discussed several times. Silicon as the physical cell basis, corresponds to the sixth oscillation level, a level which by the current 3+1 vibration level is not to be grasped in its progressive, unassailable being!

Do you understand, what I am telling you here? Within the sixth level of vibration, lower beings of the 3+1 have no power! Henceforth you are your own master, you can see them, hear them, perceive them, but for them you no longer exist, unless you want to be in contact with them by allowing them to use your energy field. But when they try to molest you, you are in a much more powerful and your BEING protective position, without war, without against each other, without having to defend your holy being!

So-called "*animal products*", and already at the thought of the many blinded vegetarians, who live a false cult - cheese, eggs, dairy products do not grow in nature - I feel sick, due to their addiction-blinded UN educated incomprehension.

Carbohydrates, these also in connection with the above mentioned cooked food, with meat, sausage and cheese, all the PENT-based primary staples, make people age, weaken and decay, especially mentally and emotionally and thus, of course, physically as well. We saw the result in Berlin. With the demonstration of the power of JAHU, it was once again proven, whose children the PEOPLE of today are. Not to be sustained in the germ, under no circumstances should the subhuman plant its seeds for preservation. The end of this 6. so-called mankind has long ago already been programmed into the rhythm of life and DEATH by the SELF-destruction of these destroyers. Thanks to their so much celebrated heroes, they did a great job in stultifying the PERSON MOTHs! Again, and only representative for all the other empty ones: "Thank you, Heiko!"

In Liebe und Verbundenheit,

:friedrich wilhelm thomas aus dem Hause Neubert
